Our mission at **artencounters** school holiday programs is to create an environment where children feel comfortable, happy and artistically inspired.

All activities at **artencounters** are run by people who are passionate about art and teaching children.

Classes are taught by a range of different teachers including practicing exhibiting artists, highly trained art teachers and top rating students undertaking fine arts degrees at tertiary institutions.

We are committed to ensuring that our teachers enjoy their work as much as the students enjoy their time on our premises.

We maintain a staff ratio of 1 teacher to 10 students, with a maximum of 25 children at any time.

Please note: Our activities are designed for children aged between 5 and 12 years unless otherwise specified.

We strongly believe in each and every child's creative potential and know how to bring it out.
