

AUTUMN SCHOOL HOLIDAY PROGRAM

Talent is never a consideration in any of our programs, we welcome all who love art making and are passionate about being creative and absolutely love giving them skills to express their visions. However, please ensure that your child has a genuine interest in art so that they are engaged for the length of the activity.

We encourage students to wear old clothes and shoes as paints and other materials may stain clothing, and ask that they also bring along a healthy snack as each session has a dedicated 15 minute break.

We request that parents bring their children into the studio at the commencement of each class and to pick them up from the studio at the end of each class. A signed parental permission letter will be required for staff to allow students to wait outside of the studio or leave unaccompanied during pick up time; please email the studio for a copy if required.

All Art Encounters tutors are practicing trained artists and hold Working with Children Certifications. A First Aid Officer is present during all school holiday sessions.

Art Encounters prides itself on high quality educational outcomes and we are committed to offering a wonderful and unforgettable experience that will be remembered fondly as your child grows up.
