

COVID Term 4 Strategy - Art Encounters

Due to the unpredictability of lockdowns at this time, Art Encounters will be reducing the standard fee for classes by \$100 (per term). Please note that parents will have to supply students with basic materials for these classes which are also available for purchase online.

Junior Classes (5 - 8 Years) & Young Artists Program (8 - 12 years)

Tuesdays & Thursdays: 5:00 - 6:30pm

Saturdays: 9:30 - 11:00am & 11.30am - 1:00pm

Price per term: \$325 (Materials not included)

Please book into your regular class time which will be called your home group.

As at September 7th 2021, Victoria is in a current lock down where classes are not permitted to run live in the studio. As many of us know this may last for quite some time so the following strategy will be employed:

Classes During Lock Down

Students in the above classes are invited to attend up to all four time slots which will be thematic and revolve around a singular weekly theme. For example: if we are studying an artist such as Picasso, we will do four different short projects that are different from each other.

This advantages students who are passionate about art and are able to gain from our online program the maximum amount of classes to help develop their skills.

Please note that during lock down periods the Junior and Young Artists group will be merged. This will not affect the individual standard of work.

What Happens When We Open Up -

Once we are given the green light to run our classes in the studio, students will return to their "home group" or the class in which they originally enrolled.

Online Only Students -

Students who live outside of metropolitan Melbourne and are unable to attend in house classes will be offered the following options should we open prior to the end of Term 4:

Teens (ages 13-18): Mondays 5.00 - 7.00pm

Junior and Young Artists (ages 5-12): Wednesdays 5.00 - 6.30pm
